

Bridging the Development Gap: Economic, Educational and Environmental Prospects

DECEMBER 4th - 8th, 2006 ~ BONN, GERMANY

Bonn International Model United Nations / Simulation Internationale des Nations Unies de Bonn (BIMUN/SINUB) offers students from all continents the opportunity to simulate the work of several international institutions. In view of the recent developments in international politics, the overall theme of this conference will be "Bridging the Development Gap: Economic, Educational and Environmental Prospects".

Six committees discuss specific aspects of this issue. The participants will be required to choose a country whose position they shall represent during the conference week.

Application online: <http://application.bimun.org>

The work of the institutions will be simulated in the following committees:

- **General Assembly Plenary**
Facing the Challenges of Today: Essential Adjustments for the Future
Sub-topics: Evaluating and Innovating UN Peace-Keeping Missions / Financing for Development / International Disaster Reduction
- **United Nations Security Council**
National Interests in Times of Non-Conventional Conflicts
Sub-topics: Pre-emptive Wars / The Situation in Darfur/Sudan
- **United Nations Environment Programme**
Innovative Approaches to the Distribution of Resources
Sub-topics: Establishing a System of Global Waste Management / Access to Fresh Water and Problems of Water Distribution / Promoting Usage of Renewable Energies
- **United Nations Educational, Scientific and Cultural Organization**
Access to Knowledge as a Means of Maintaining Societies
Sub-topics: Broadening Access to Knowledge: Public Domain and Intellectual Property / Promoting Grass-Roots Movements: Chances for Cultural Diversity / Prevention Education: A Challenge to Development
- **International Criminal Court**
Learning from the Past: Justice for the Present
Cases are to be announced.
- **European Council**
Keeping or Overcoming Grown Barriers
Sub-topics: Establishing a European Framework for the Integration of Immigrants / Creating European Standards of Education / New Approaches to a European Entity

Application Period:
from May 30th until August 31st 2006
